We Rocked at WBENC
EMS Successes at the 2014 WBENC Conference and Business Fair

The Early Morning Software, Inc. team is always on the go! Having attended yet another conference this week; the 2014 WBENC National Conference and Business Fair took place in Philadelphia, PA.

WBENC, being amongst one of the larger conferences in attendees and exhibitors, also comes with exhibit hall space to match. As exhibitors EMS was able to share space with other influential exhibitors like Coco-Cola, Bristol-Myers Squibb, Walmart, Microsoft and IBM. Being a WBE exhibitor allowed the team to showcase and demonstrate PRISMCompliance.com and how it could make a difference in the varying industries that were present at the business fair.

Amongst trying to make sales and proper connections, the icing on the cake for WBENC was attending MBE Magazine's 30th Anniversary Launch Reception where Donna Stevenson, President and CEO was not only nominated, but was one of the winners of the "WBEs Who Rock" award presented by the magazine. The award was accepted with appreciation and gratitude.

Best put by Ms. Stevenson, "Being a CEO isn't easy, but it's moments like this make it easily all worth it."

About Early Morning Software Inc.: It was the founders' vision to create a small highly effective research laboratory dedicated to customer service, innovation, and its personnel. PRISM Compliance Management is the flagship product and thought leader in the areas of Supplier Diversity and Compliance Management. PRISM monitors and manages your diverse programs, measures and analyzes your spend, and consolidates all of the details.
