**PRISM and NMSDC Unite**  
*PRISM is the platform for NMSDC's national database*

If you are certified by the National Minority Supplier Development Council (NMSDC) or use the organizations services, than you might've heard about PRISMCompliance.com or "PRISM" by now. If you haven't than let us tell you more! PRISM is the platform being utilized for NMSDC's new national database of more than 12,000 certified minority suppliers.

At this year's NMSDC Conference + Business Opportunity Fair, being hosted in Orlando, FL; Affiliate Council Presidents and Staff, Corporate Members, and Certified MBEs will have the opportunity to explore and learn how to use the enhanced system to source NMSDC-certified MBEs during their designated workshop times on Tuesday, November 4<sup>th</sup>.

PRISM offers corporate members dynamic search capabilities for identifying and sourcing MBEs by location, industry, product and services, and certification classifications. MBEs will also have access to the PRISM Portal so as to facilitate MBE-to-MBE sourcing. The PRISM system fully integrates certification management to streamline certification application processing, verification and renewals.
